AFRICAN EDUCATORS VISIT CAMPUS

A group of ten women educators representing Gambia, Sierra Leone, Sudan, Mali, Zambia, Nigeria, East Africa and Kenya visited Gallaudet on Tuesday, November 9. While on campus, they saw the LOOK OF SOUND, observed College classes and toured the new MSSD facility. The group had lunch with a number of our African students. These women, all of whom are in secondary education, have been touring educational facilities in the United States for the past eight weeks. Their program is being sponsored by the Association of American University Women.

THE ADAMS CONNECTION

The Prince Georges's County Memorial Library System is presenting The Adams Connection, a special three-part program keyed to the popular PBS television series, "The Adams Chronicles." The Adams Connection will provide a more in-depth look at the lives of John and Abigail Adams.

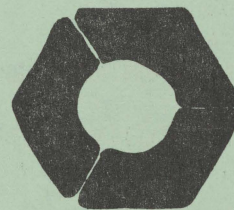

Each program will be signed by an interpreter and will be presented on November 9, 16 and 23 at the Hyattsville Branch Library, 6530 Adelphi Road, from 7:30-9:30 p.m. in the Kerlan Room.

For more information or to register for the programs call 699-9113 (voice or TTY) from 9 a.m. to 4 p.m. on weekdays. All programs are free.

CIS HAS MOVED

The Communication Impairment Section (CIS) of the Bureau of Rehabilitation Services has moved to permanent quarters in Room 305 at 122 G Street, N.W. Their new phone number is 629-5546 (voice and TTY).

A NEW SYMBOL

The Pre-College Programs have adopted a new logo that combines the hexagon that is a prominent architectural feature of the new MSSD facility and the circle that will similarly be featured in the new Kendall School which is presently under development.

The symbol will be used on all Pre-College publications and letterheads -- in green to signify the Dean's office and Pre-College Programs as a whole, in blue to signify MSSD and in brown to signify KDES.
